

This attractive Craftsman-style duplex is designed for construction on land with a slight upslope to the rear. Its split-level floor plan puts the garage at ground level, gathering spaces and owners' suite a half-flight up, and secondary bedrooms yet another half-flight up. From the kitchen you can keep tabs on activities in the spacious vaulted great room or look outside. For more details, log onto www.Home-Plan-Weekly.com, or call 1-800-634-0123.
