

Vaulted ceilings give an expansive feel to the entry, the study/office, and the great room/dining area at the rear. The richly windowed great room is open to the roomy kitchen across the wrap-around eating and conversation bars. A gas fireplace nestles into the great room's rear corner, while a built-in hutch fills one wall of the dining area. For more details, log onto www.Home-Plan-Weekly.com, or call 1-800-634-0123.
